

A MESSAGE FROM MAYOR DAVE BRONCONNIER

On behalf of City Council and the people of Calgary, it is my pleasure to acknowledge the participation of “The Back Door” organization in the “Raising the Roof Foundation of Canada” project.

The Back Door, along with two other unique Canadian organizations who also assist young people in exiting the street culture, will collaborate with the young people they serve. As a team, the contributors in this Youth Works initiative will strive to examine effective approaches assisting these important young people. I applaud this goal and congratulate your organization on being chosen to participate in this worthy endeavour.

I want to acknowledge your efforts and thank you for the work you will complete over the next three years. As your group shares the findings with front line organizations, the quality of programs and services for youth will undoubtedly improve.

Best wishes for many successful outcomes.

Dave Bronconnier
