

20

YEARS

RAISING THE ROOF'S **Toque Campaign**

To celebrate our 20th Anniversary Toque Campaign, Raising the Roof wants to share 20 examples (among hundreds) of programs that have made an impact thanks to the support of toque proceeds. These programs have:

1. Helped women exit situations of sexual exploitation, resulting in 70% of participants permanently ending their situations and risk of homelessness, with 77% moving on to healthier lifelong outcomes.
2. Helped low income families in Saskatoon overcome social and economic barriers to avoid eviction and remain stably housed.
3. Assisted people in London, ON secure housing, with an 88% success rate.
4. Supported youth exiting the justice system by providing long-term housing.
5. Provided rent supplements to youth on the verge of homelessness.
6. Funded community Care Share days where people experiencing homelessness can receive toiletries and personal items and access a variety of medical and other support services.
7. Funded an outreach program that collects and analyzes data from 14 communities to inform and improve the services provided to people experiencing homelessness.
8. Supported young people at-risk or experiencing homelessness work with landlords to secure stable housing, with the end goal of keeping youth in-school and in their community.
9. For youth staying in a shelter, this program provided the basics like food, clothing and other necessities while also offering one-on-one support to help youth find the best solution to their current situation, often including family mediation.
10. Provided secure accommodation to men, women and families with children to move them out of crisis situations and provide essential support services.
11. Provided subsidies for rent and utilities so that people with low or no income can maintain safe, secure housing.
12. Provided transitional supports for abused women and children in Halifax, including housing.
13. Supported a family intervention program, with the goal of keeping young people at home through family mitigation.
14. Soutenu une programme qui aide directement plus de 200 Montréalais très appauvris, itinérants et toxicomanes chaque jour.
15. Prevented further risk and supports youth aged 15-24 experiencing homelessness in Sydney, NS.
16. Supported an emergency housing program for at-risk and homeless youth in St. John.
17. Provided 1000 people with support services in a time of crisis or extreme need in Thunder Bay.
18. Supported a second stage housing program for women, providing opportunities for education and life-skill building.
19. Supported the only 7-day-a-week drop-in program for men, women and youth experiencing homelessness in Hamilton.
20. Provided \$1 healthy meals to residents in supportive or transitional housing.
