Call for Volunteers!

Raising the Roof is looking for **enthusiastic and sales oriented event volunteers** to help us bring attention to the issue of homelessness in our communities. We accomplish this in part by getting out in public at major events and by selling Raising the Roof Toques to raise money for local community agencies who provide services to people facing homelessness.

So, if you are energetic and passionate about helping others, and have an outgoing, sales oriented personality, get ready to put on your parka, mitts and of course, your toque!

We'd like your help raising funds for long-term solutions to prevent homelessness at various toque-selling events throughout Toronto on **Tuesday February 6, 2018**.
